Mozambique is a range of dual-purpose prints celebrating the beautiful landscape of this African coastal paradise. The colours of the co-ordinating prints and Pixel plains are inspired by the hues of coral reefs, lagoons, beaches, ocean blues, and clear skies offering a durable fabric option with linen-look prints able to withstand up to 50 000 rubs.

Enhanced with Loomguard, a stain-resistant coated fabric technology, Mozambique provides both style and practicality. This innovative feature adds an extra layer of protection, making the fabrics easier to clean and maintain.

Bring a colourful holiday feel into your interiors and home with this uplifting and versatile print range.
