DUTCHESS SATIN

Duchess Satin is a luxurious, medium-weight fabric with a beautiful pearly sheen and matte back, woven in a satin weave that gives it a glossy, reflective surface. The fabric holds its shape well, making it ideal for structured designs like ball gowns and tailored suits. Known for its full-bodied drape and smooth finish, duchess satin provides an opulent base for high-end designs while its smoothness and figure-hugging quality make it both luxurious and elegant for evening gowns, suits, wedding dresses, and sophisticated accessories.
