

LOOMCRAFT

ROLLING & INSPECTION MACHINES

We can custom build rolling and inspection machines to suit your specific needs

OVER 100 UNITS SOLD TO DATE

Not only does Loomcraft(PTY)Ltd offer a wide variety of textile products, we also custom build and supply narrow and wide width rolling and inspection machines. Using only the finest quality components and a qualified engineering workshop, we have designed and built these durable rolling machines to international industry requirements and standards.

These rolling machines are essential for effective quality control through inspection, fabric rolling and accurate measuring of meters, stock control. We have sold over 100 rolling machines to satisfied customers, as their fabric processing and quality control is now faster and more efficient with the implementation of these user friendly machines.

Features of our rolling and inspection tables include: variable speed control with foot pedal, high accuracy meter counter(assized) flat inspection table with back light, lockable castor wheels for easy relocation and sturdiness. Fully computerized meter control.

Please contact us should you require either a 180cm or 300cm wide machine, which we offer a 10 year warranty/guarantee on.

VARIABLE SPEED CONTROL WITH FOOT PEDAL

HIGH ACCURACY METER COUNTER

FLAT INSPECTION TABLE WITH BACKLIGHT
