The Apollo range offers a fresh take on corduroy, blending modern cubist design with this classic fabric. Available in a palette of 20 colours, the collection draws inspiration from global trends, featuring a journey through rich, evocative hues - from the warmth of caramel and the depth of burnt umber to the serene embrace of calming greens.

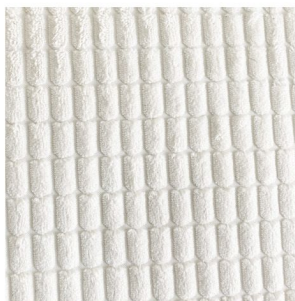

This versatile fabric is perfect for adding texture and style to your home, whether used for accent pieces like cushions and bean bags or as a statement upholstery fabric for larger furniture items.
