Introducing TIK-TOK, a new fabric that follows in the footsteps of our popular Simply Slubby line, but without the pronounced slub texture. Taking inspiration from the steady rhythm of a ticking clock. Just as the consistent 'tik tok' of a clock marks the passage of time. TIK-TOK is truly a "workhorse" fabric, offering exceptional durability with a rub count exceeding 50,000. This impressive resilience ensures that TIK-TOK can withstand the rigors of frequent use, maintaining its quality and appearance over time. To enhance its practical appeal, TIK-TOK features a Loomguard stain-resistant finish, providing an extra layer of protection against spills and marks.

Available in 15 colourways, it offers ample design flexibility. The combination of durability and affordability makes TIK-TOK an ideal choice for both domestic and contract applications, serving well in residential settings and commercial spaces alike.
